| Total | 21,300 | 1,979 |

Description

The property comprises a three storey office block, converted from a former electricity power station, with an industrial workshop/warehouse to the rear. The warehouse is of steel frame constructions with profile metal external elevations, solid concrete floor, block work internal elevations and an eaves height of 5.5m, rising to 6.5m to the underside of the steel frame.

The office space over first and second floors has been fitted out to a good specification with air conditioning, category 2 lighting, passenger lift, secondary glazing and perimeter trunking / wall mounted electric and telecom sockets. Externally the property has a yard and car parking area of about 17,000 sq ft.

Grant Mills Wood and the Vendors / Lessors of this property, give notice that (i) the particulars are set out as a general outline only, for the guidance of intending purchasers or lessees and do not constitute part of, an offer or contract (ii) all descriptions, dimensions, references to condition, necessary permissions for use and occupation and other details are given without responsibility and any intending purchasers or tenants should not rely on them as statements or representations of fact, but must satisfy themselves by inspection or otherwise as to the correctness of each of them (iii) no person in the employment of Grant Mills Wood has any authority to make or give any representation or warranty whatsoever in relation to the property March 2016.
